To Whom It May Concern

This year we carried out a review of our tuckshop through Tuckshop and Canteen Management Consultants. We found Jocelyn to be very friendly and extremely helpful to work with. Her report was very extensive and the tools she supplied us with most beneficial in our tuckshop moving forward. She has helped us in every aspect of running a successful tuckshop – to which we are most grateful.

I would not hesitate in recommending Jocelyn's services, as they have been invaluable to our school.
