Dear Jocelyn

In February 2012 Caloundra State Primary School P&C Association engaged Jocelyn Ashcroft - Tuckshop Consultants to review our Tuckshop operations.

We would like to take this opportunity to thank you for your tremendous support during our recent restructuring of Lunch on Lighthouse Tuckshop. Your initial comprehensive review enabled us to identify which areas we needed to focus on. When our convenor resigned you guided us through the recruitment and induction of a new convenor.

Caloundra State Primary School has been very impressed with your knowledge & professionalism throughout the entire restructuring process. Your continuing, ongoing support and advice has been invaluable to the P&C, to enable us to look forward to the future, confident in the knowledge that we are on the right path.

Thanking you again for your support of Caloundra State Primary School & Lunch on Lighthouse.

Regards

Terry Sweet
